THE BOLD CHOICE FOR U.S. SENATE

“We need leaders like Cal Cunningham who believe Black lives matter.”

CAL CUNNINGHAM, JUNE 8, 2020

We need bold leaders like Cal Cunningham who will:

- Fight environmental racism by standing up to polluters who dump toxic chemicals in our air and water.
- Strengthen Obamacare by protecting people with pre-existing conditions and supporting Medicaid expansion.
- Fund low-income school districts so that all of North Carolina’s children can thrive.
- Grow our economy and create well-paying job opportunities.
- Expand access to voting, prevent voter suppression, and restore the Voting Rights Act.

We need leaders like Cal Cunningham who believe Black lives matter.
